Steve,

Glad to hear you are on the mend and none of your staff has gotten it. Hope everyday is better for you.

FYI – we (Phil, Jana, Ken and I) had a call on 4/14 with HQ and their technical contractor (Cadmus) to discuss the draft rule and crosswalk. Cadmus is doing the initial review and will highlight any “issues” they find to EPA. Cadmus has a lot of experience with this as they were involved with both the ND and WY Class VI primacy delegation process. We are happy to have their experienced eyes looking at the material. 😊

Have a great weekend!

Brian

Hey Brian,

Actually, I just sent out an email to all of my staff. Today is the first day that I don't feel a little better. Today I just feel Good!

No fever since Sunday, cough is better, etc.

Hopefully, I will be out of quarantine a week from Monday. In the meantime, I am available via email and cell (318-581-1333).

So far, none of my staff has come down with the virus.

Steve
